From

S. ABDUL WAJID, Esquire, B A
DEPUTY COMMISSIONER,
HASSAN DISTRICT

To

Mo Ranga Rao, Esq., B.A., B.L.,
Secretary to Government, General Departments,
Bangalore.

Sir,

Adverting to Government Order No.L.2741/Ml. 46-27-4 dated 17th November 1927, ordering the conversion of the Arsikere Minor Municipality, I have the honour to state that the Town Municipal Council propose that the strength of the Council, which is 14 with the Amildar as President and additional member as sanctioned in Government Order No. L 2792 dated 3-1-1926, may be increased to 18, including the Ex Officio President, viz., the Amildar of the Taluk. The entire correspondence bearing on the subject is enclosed for reference and favour of orders of Government.

According to the latest Khanesumari accounts, the population of the Arsikere Town is reported to be 531[illegible] and the Municipal area extends to about 4 square miles. This is a fairly good commercial town and there are a good many interests to be represented on the council. The present strength of the Council was fixed when the Municipality was a minor one and there are several sub committees to be constituted as per Municipal Regulation for the newly converted Town Municipal Council.

In these circumstances, I am of opinion that the strength of the Council deserves to be increased as requested by the Council. I request therefore that you will be so good as to place the matter before Government,

Government, and obtain their sanction to raise the streng
th of the Council from 14 to 18 as detailed in the
x
margin.

I have the honour to be,

Sir,

Your most obedient servant,

DEPUTY COMMISSIONER,

I.S.D. HASSAN DISTRICT.

The fact that the Municipality was converted into a Town Municipality alone is not a sufficient ground to increase the strength of the Council. The Resident is requested to report to ... case ... reasons in support of Council's proposal
